Please forgive me for writing in English, my Italian is no molto bene. Mi depiace! I am a member of the Bertino family living in America. My great grandfather's name was Batista Bertino. He came to America in the late 1800s to Coal City Illinois as a coal miner. He immigrated from the city of Torino. We have a very large family hear. I saw this picture of Sergio Bertino and saw a very strong family resemblance to my grandfather George Bertino and his brothers. I can send you pictures if you would like so you can see for yourselves. Just thought we might be related. I'm very sorry for your loss. Thank you for your time . God bless your family, Christopher Elsen
